DEDICATION

IN appreciation of kindly assistance, sympathetic understanding, helpful advice, and critical guidance, we, the class of 1935, dedicate this, our annual, to Principal Louis R. Kresensky, who has been the guiding star of our high school careers.

FOREWORD

OUR fortunes, astrologers tell us, are in the stars. In publishing this 1935 Otaknam, the staff has depended on the stars for its inspiration and whatever success it may have had.

Mankato Senior High School

TELESCOPES

AS a telescope is used to enlarge the mental vision of some distant object, so the faculty is functioning to open for the student a newer and greater field of knowledge and understanding, paving the way for a successful and intelligent life. Pictured here is the faculty headquarters, the office.

School Board

President.....J. W. SCHMITT
Vice President.....F. M. YUKEL
Secretary.....MISS LORETTO VEIGEL
Treasurer.....L. B. FRENTZ

THE only change made in the School Board this year was the election of Stan A. Smith to replace C. N. Weyer, who resigned in the fall.

The Board, elected by the Mankato voters, has final authority over the entire school system, which includes five buildings: Mankato senior high school and Lincoln, Franklin, Union, and Roosevelt grade schools. Junior high departments are located at Lincoln and Franklin, and special industrial courses are taught at the Union school.

At the head of the system is Superintendent J. E. Anderson, who was reelected this spring for two years. Under his supervision are approximately one hundred instructors. The principals of the various schools are as follows: Senior high, L. R. Kresensky; Franklin junior high, Miss Emma O'Donnell; Lincoln junior high, E. H. Metag; Franklin grade school, Miss Minnie Bangerter; Lincoln grade school, Miss Clara R. Kelly; Roosevelt grade school, Mrs. Beatrice Mark; and Union grade school, Mrs. Minnie A. Nelson.

Five supervisors, three librarians, one nurse, one music instructor, and a speech correction teacher are included in the school system in addition to the regular teachers.

THIS YEAR, 1935, has been dedicated to the celebration of the 300th anniversary of the American public high school. Three hundred years ago the present day American high school had its beginning with the advent of the Boston Latin School which thus became the star to furnish the guiding light for bringing into the world a new principle—free public education—so essential to the nurturing of the new nation yet to be born.

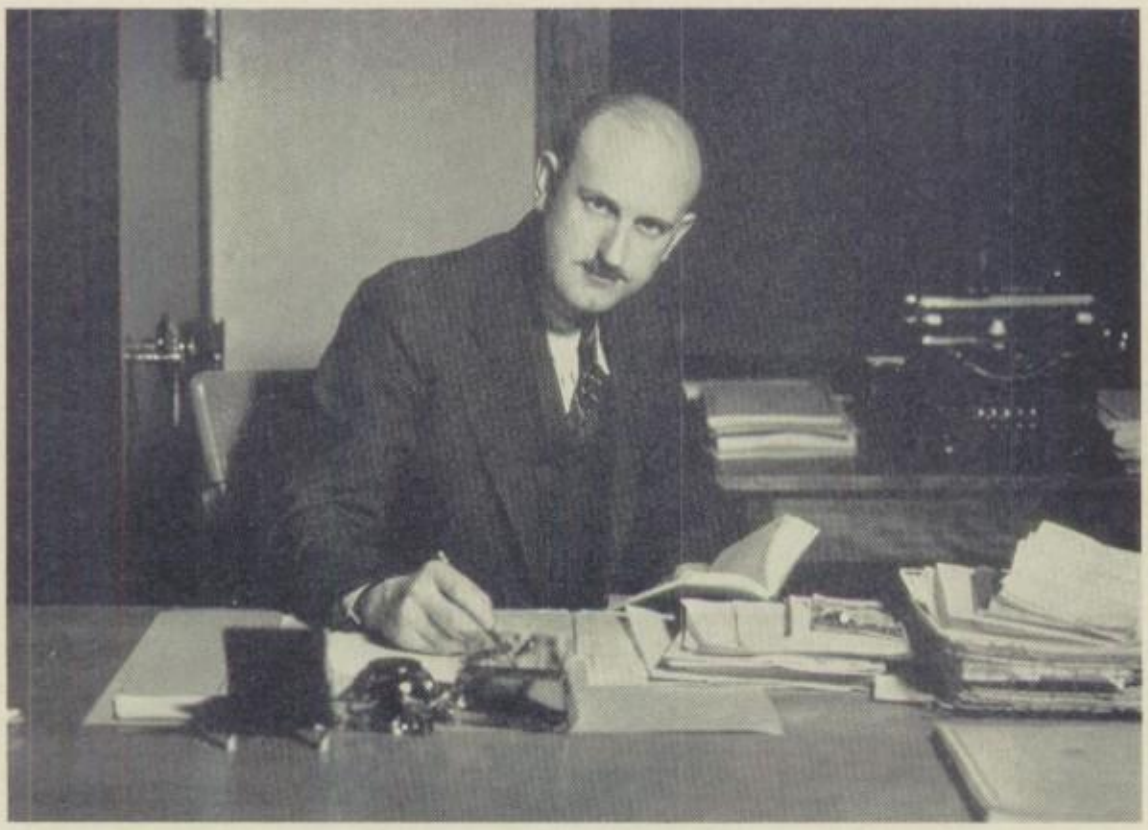
Three centuries have elapsed since that memorable event, which at that time seemed so insignificant. Public high schools have grown and multiplied so that now they are found everywhere throughout our land. Enrollments have increased until now there are more than five million girls and boys attending high schools. The curriculum has expanded to include all fields and scores of various subjects. Mankato High School is one of those thousands of schools; the students of this high school are numbered among those millions of high school students; the curriculum of the Mankato High School includes most of the courses offered in those high schools.

Surely these facts are significant to our students; facts which should make them appreciative of the foresight of their ancestors and the founders of our nation; facts which ought to make the students solemnly resolve to make the best use of the splendid opportunities which this foresight has provided them.

Sincerely,

J. E. ANDERSON,

Superintendent of Schools.



YOUR annual is an achievement. It is a concrete testimonial of the efforts of your class under the direction of your leaders. The part that cannot be seen is the spirit back of it, the spirit of achievement. What a wealth of meaning is back of those four words! Such a spirit is one of the intangible things of life, something that you cannot touch with your hands, but that you can feel and see and be influenced by whenever you come in contact with it.

To succeed, each of you must have this spirit of achievement. Without it you are likely to become lazy, uninteresting, and unwanted. The spirit of achievement is developed in the absence of indolence and in the presence of ambition; in the absence of shiftlessness and in the presence of industry; in the absence of selfishness and in the presence of service. It signifies not only a desire to use, but a willingness to sacrifice the meaningless things for the chance to progress.

No one can bestow this spirit upon you as a gift. You must get it for yourselves. You will recognize it when you have a strong desire to attain greater heights, regardless of how high you have already climbed. You will want to be of service wherever you may be found. No circumstance can hold you back when once you have become imbued with the spirit of achievement.

Sincerely,

LOUIS R. KRESENSKY,

Principal.

Front Row: Klampe, Mehlhouse, MacDougall, Olson.

English and Foreign Languages

THREE years of English are taught in the Senior high school, two years of German, two of Latin, and two of French.

Miss Marjorie MacDougall teaches senior English and is adviser of the senior class. Mrs. Mary A. Trafton teaches junior English and grammar. She is sponsor of the junior class and of Pi Delta Rho. Miss Nellie C. Olson teaches junior and sophomore English. She was debate coach until February 20 and she sponsors Senior Girl Reserves. Reuben J. Talle teaches sophomore English. Mr. Talle was temporary debate coach after February 20.

Russell J. Hammargren teaches sophomore English and news. He is sponsor of the High News, Otaknam, Quill and Scroll, and Creative Writing club.

Miss Frances Klampe teaches German and Latin and advises the German club. Miss Helen Crooker teaches sophomore English and French. She sponsors the French club and H. E. Girl Reserves.

Miss Irene Mehlhouse instructs classes in speech. She is director of the junior and senior class plays, declamation coach, and sponsor of Drama club and the Forensic League.

Back Row: Sullivan, Graff.
Front Row: Peterson, Weum, Ling.

Vocational Department

MANKATO high school offers vocational training in three fields: commercial, domestic science, and building trades. Five teachers comprise the vocational department.

Miss Mildred Graff teaches economic geography and bookkeeping; Miss Cora Weum, shorthand, type, and stenography. Dennie D. Peterson instructs classes in business management, commercial law, economic geography, and bookkeeping; he is assistant coach and the sponsor of Student Council.

David N. Ling teaches elementary woodwork, elementary mechanical drawing, advanced mechanical drawing, machine drawing, metal work, house and home design, and construction.

Miss Cora Sullivan teaches home management, home nursing, foods, lunch room cooking, and clothing.

For the first time in this high school, cooking was offered to the boys; the enrollment for next year's class shows that this course will grow. Miss Sullivan has charge of this class and is also responsible for the cafeteria, its service and menu.

Back Row: Young, Iverslie, Small, Talle.
Front Row: Shore, Sterling, Erickson, Daniels.

Social and Mathematical Sciences

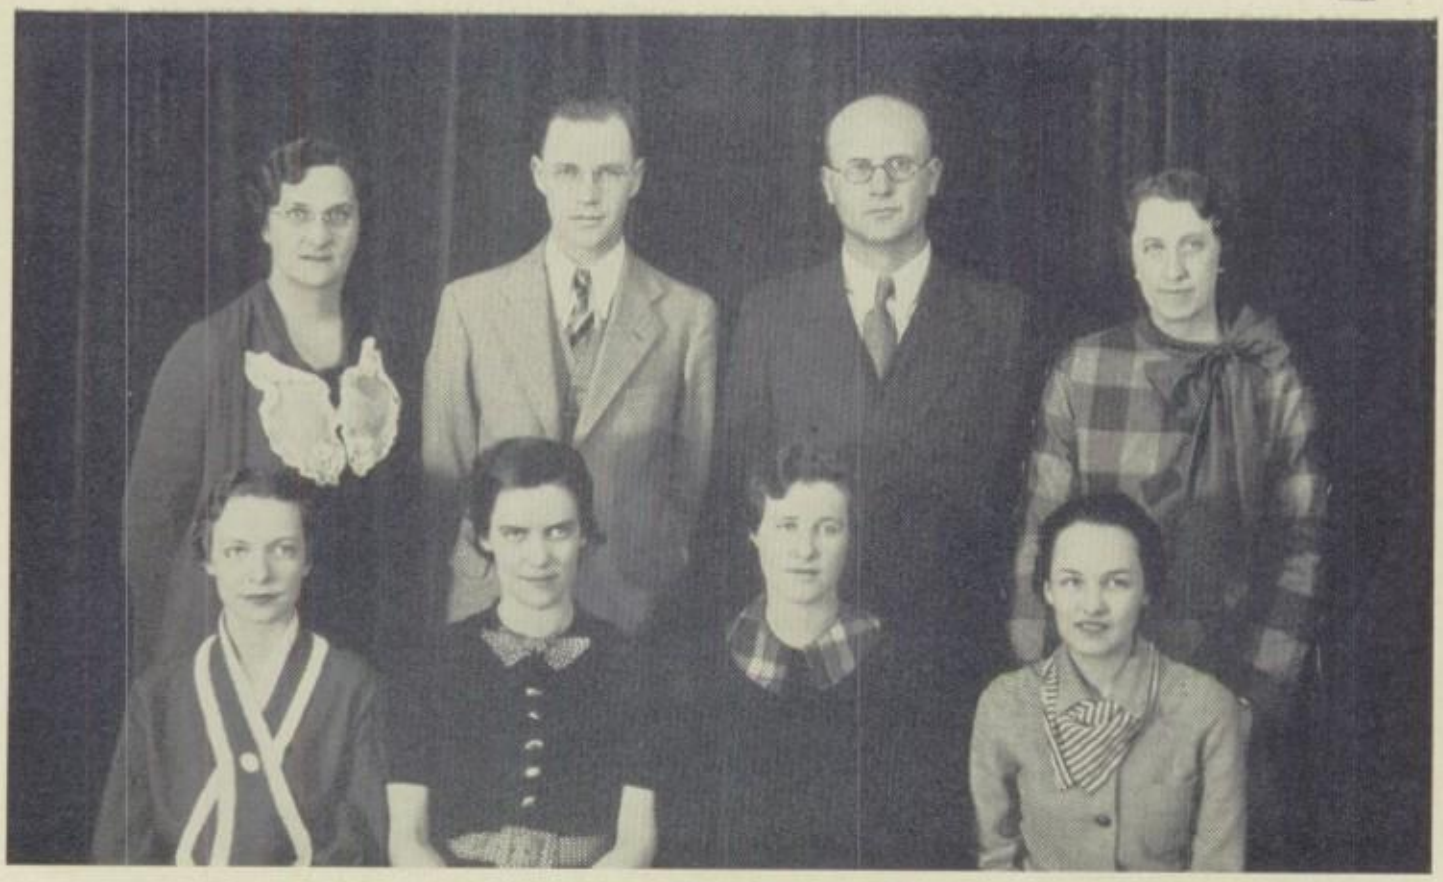
EACH pupil is required to have one year of modern history, one of United States history, and one of social science. No mathematical subject is required in Senior high school.

Miss Esther Daniels teaches modern history. She is dean of girls and sponsor of Sag En Girl Reserve. Reuben J. Talle gives instructions in modern history and United States history. Miss Ann Erickson instructs classes in United States history and is adviser of Girls' Civic club.

Philip C. Iverslie teaches social sciences and sponsors Boys' Civic club. Miss Linnea Sterling teaches modern history and economic geography, and is adviser of the sophomore class. William F. Small is an instructor of the social sciences and geometry. He is dean of boys and also sponsors the Yell club.

Fred W. Young teaches physics and chemistry. Mr. Young is assistant principal. Miss Hazel Shore instructs classes in geometry, higher algebra, and trigonometry. She is also the school treasurer.

Directing the personnel department of the high school, Miss Daniels and Mr. Small interview all the students each year, keeping a permanent record of their interests, activities, and scholarship standing.



Back Row: Billet, Aaberg, Todnem, Liggett.
Front Row: Kellenberger, Klein, Rudberg, Kraus.

Special Supervisors

MUSIC, athletics, art, health, speech correction, and library science are taught by special teachers, some of whom teach classes as well as direct extra-curricular activities.

Louis N. Todnem and Miss Alice Rudberg have charge of all athletics in the Mankato school system. Mr. Todnem coaches football, basketball, and track for boys in the high school and supervises the coaching in the junior high schools. Miss Rudberg coaches girl's basketball, volleyball, kittenball, and tenniquoit and teaches gymnastics. She also sponsors the senior high Girls' Athletic Association.

Miss Ethel Liggett teaches classes in art in the three high schools and is the organizer and sponsor of Brush and Palette.

Karl J. Aaberg has charge of all instrumental music in the public schools. He directs the high school band and orchestra and the junior high orchestras. Mr. Aaberg also teaches high school chemistry.

The vocal music is in the charge of Miss Vivian Klein who instructs classes in both the grade schools and the high schools. In the junior high schools she directs all the glee clubs; in the senior high she sponsors the A Capella chorus, Boys' and Girls' Glee clubs and the Honorary Girls' Glee club.

Miss Jeanne Kellenberger gives special instruction in defective speech correction.

In the absence of Miss Margaret Fulton, Miss Mary Kraus acted as the schools' head librarian for 1935. Miss Lynda Billet is the schools' truant officer and general school nurse.

OBSERVERS

WITH the aid of his telescope, the astronomer observes the movements of the heavenly bodies and interprets them. Seniors in high school have been assisted by the faculty in observing the fundamentals in living. Graduates bid farewell to this building which has opened its doors and allowed them to share in its mellow history.

FAREWELL

With saddened hearts
We bid farewell to classes, teachers, friends,
To three glad years,
And all the joys which graduation ends.

The world we face.
Achievements great no hardship from us bars,
But still we strive,
And fix our aspirations 'mid the stars.

A. Schoelkopf

WE, the 1935 Senior class, owe a debt of gratitude to our advisor, MISS MARJORIE MAC DOUGALL, ever our friend and champion.

Adult Education

THE Adult Education department has been conducted five years in Mankato with Mrs. Mary A. Trafton at the head. Since 1930, adults have been afforded the opportunity of gaining a high school diploma by attending night school. An interesting feature of adult education is that a family may start together and work for credits and receive diplomas at the same time.

This year the following subjects were taught: modern history, taught by Dennie D. Peterson; public speaking, the Rev. Rob Roy Hardin; U. S. history and ninth grade English, Mrs. R. O. Eberhart; typewriting, Harold J. Wedwick; social science, Philip C. Iverslie; and geometry, Fred W. Young.

Last year seven persons graduated; this year nine received diplomas. They are: Arthur Gran, Hubert Mehr, Frank Seibert, Miss Mary O. Johnson, Miss Alma Strehlo, Miss Eleanor Voelker, Miss Ruth Ramy, Miss Gertrude Peterson, and Mrs. Hosea Harmer.

To Mrs. Trafton and the staff of teachers goes much credit for their efforts in creating and maintaining interest among the adults in high school work. Informal parties held throughout the year attest the desire of the adults to make the most of their relationships with their co-students and faculty. A party for all students, honoring Mrs. Trafton, planned for the latter part of May, closed the year's activities.

There are approximately 100 pupils attending these night classes.

Dear Hank:
Baseball is a
good game when you
can miss a few games.
Here's luck to you in the
rest of yours except
when you set it.

The Junior Class

President.....CLAYTON CALL
Vice President.....ROBERT LLOYD
Secretary.....ROSALIE PEDERSEN
Treasurer.....HUGH WILLARD

WITH the election of officers September 17, the junior class, under the sponsorship of Mrs. Mary A. Trafton, began its activities.

The Junior class play, "Meet Uncle Sally," by Jay Tobias, was presented November 9, at the Lincoln auditorium, to raise money for the annual Junior-Senior Prom held in the spring. Under Miss Irene Mehlhouse, director, and Mrs. Trafton, sponsor, this three-act comedy was a success, netting $125.

In the Senior Carnival, held December 7, juniors assisted their upper classmates by appearing in various stage shows. During track season a team composed of junior athletes was defeated by the seniors.

Two juniors were on the declamation team and three were on the debate squad. Eight juniors had leads in the 1935 operetta, "All At Sea"; thirteen junior boys and two junior girls received letters for basketball, football, track, or golf.

On May 25, the juniors were hosts to the seniors at the annual Junior-Senior Prom in the Lincoln gymnasium. Preceding the dance a banquet was served by the high school Parent Teachers' Associations.

The juniors extend their appreciation to Miss Ethel Liggett, for her assistance in the art work on the prom; to Miss Mehlhouse, for her splendid success in directing their play; and to Mrs. Trafton, for her tireless efforts and patience in capacity of junior adviser.

CONSTELLATIONS

TO further beautify the heavens and provide variety, the Constellations were created. To flavor school life and to relieve the monotony, clubs were organized. Their paths in the school universe were charted in daily notes on the bulletin board.

Vice President.....ELEANOR BRAUCH
Secretary.....LEE SNILSBERG
Treasurer.....MARIAN NICHOLS

MEMBERSHIP in the National Honor society, the highest honor one can attain while in high school, the sum of high school achievements, was granted to 27 of the 175 members of the 1935 senior class. Only seniors who are in the upper one-third of their class scholastically and who have excelled in character, leadership, and service are eligible. The emblem of this honor society is a flaming torch and a shield.

Notification of membership was given in an assembly held April 4 by the usual tap ceremony, in which each student draws another's name. At the first meeting the 27 new members elected officers and voted for Principal L. R. Kresensky to sponsor the organization.

Formal initiation was held in the library of the Franklin junior high school May 14. Each of the 27 students was allowed three guests to be present at the ceremony at which the four officers presided. Following this was a banquet at which Judge Harry Johnson was the principal speaker, automatically becoming a member of this class.

The following faculty members made the selections: Miss Marjorie MacDougall, Mrs. Mary A. Trafton, Philip C. Iverslie, Miss Ann Erickson, and Principal L. R. Kresensky. All members of the faculty listed students for membership.

Quill and Scroll

President.....PAUL MEYER
Vice President.....DUANE EBERLEIN
Secretary.....AMY SCHOELKOPF
Treasurer.....WILBUR PETERSON

QUILL and Scroll is an international honorary society created for the purpose of promoting work in journalism and rewarding students for creative endeavor. Membership in this organization is considered the highest honor a student may attain in the field of journalism. The David Lawrence chapter of the high school was granted its membership January 2, 1929.

With only five active members at the beginning of the school year, the membership now totals 19. New members were admitted in October, December, and March. Melva Jean Coulter, Bert Brosnan, and Curtis Brooks became members in October; Eileen Murphy, Freda Bell Anderson, Marcella Nutting, and William Miner, in December; Ila Polzin, Iva Polzin, Fred Eichhorn, June Ogee, Avis Peters, Jack Nelson, and Lee Snilsberg, in March.

In a national Quill and Scroll contest conducted in February, Wilbur Peterson received third place in headline writing, and Paul Meyer received honorable mention in editorial writing in the North Central division.

This group sponsored a banquet for the alumni members in January, and a city-wide banquet, April 29, at which Dr. Ralph D. Casey and Professor Mitchell V. Charnley were the principal speakers.

Clifford Russell, editor of the Mankato Free Press, and Vernard Lundin are honorary members of Quill and Scroll. Russell J. Hammargren, instructor of journalism, is to be commended for his work as the club sponsor.

Forensic League

President.....LEAS SCHWICKERT
Secretary-Treasurer.....CHARLOTTE MCLAUGHLIN

ALL student participants in debate, declamation, extemporaneous speaking, and discussion are eligible for membership in the local Forensic League. The purpose of this organization is to promote general interest and support for dramatics.

Inter-scholastic contestants who have won at least ten forensic points are members of the National Forensic League, which is a continuation of forensic honors. Mankato high school is a charter member of this club. Each member may secure a pin with a jewel set indicating his degree of which there are five.

Of the five honorary degrees which are awarded by this national organization to members having at least 10 points, in declamation the Degree of Honor was bestowed upon Loren Krugel, who had won 49 points through his work in oratory, and Jean Wilcox, who had 37 points in dramatics. Ayres McGrew, who won 28 in oratory and debate; Melva Jean Coulter, who won 23 in humorous declamation; Thomas Edwards, who won 18 in discussion; Bette Patnode, who won 14 in humorous declamation; and Lawrence Morris, who won 13 points in extemporaneous speaking, earned the Degree of Merit.

More points are given participants in debate than declamation. Last year Robert Gentz and Lee Snilsberg each won 27 points. This year Lee Snilsberg and Robert Gentz obtained the Degree of Excellence, and Leas Schwickert and Robert Lloyd received the Degree of Merit.

To Miss Irene Mehlhouse, sponsor of the club, Reuben Talle and Miss Nellie C. Olson, debate coaches, goes much of the credit for the success of the high school's forensic activities.

Drama Club

President.....BERT BROSNAN
Vice President.....LOREN KRUGEL
Secretary.....ROSALIE PEDERSEN
Treasurer.....GARLAND ODLAUG

DRAMA CLUB was organized for the purpose of studying dramatic art and presenting one-act plays. Any student interested in work of this type may try out for the club by giving a reading. Judges, who consist of the president, sponsor, and another teacher, determine the ability of the students, and members are selected accordingly. This year twenty-two new members were added to the group.

The meetings of this organization, which were held monthly, varied in form from an outside speaker to readings, skits, and one-act plays presented by the members.

The Drama club has contributed to assembly programs by presenting two plays and a skit. "Crossed Wires" was given by Barbara Kesson, Jean Wilcox, Stanley Windhorn, Stanley Tillisch, and Garland Odlaug; "Babbitt's Boy" by Marian Nichols, Juanita Rabe, Loretta Neubert, Marcella Nutting, Duane Eberlein, and Loren Krugel; and "Fiddling Around" by Janice Bounds and Bert Brosnan.

To Miss Irene Mehlhouse, sponsor of Drama club, goes much credit for its success. The members wish to thank her for her splendid interest and co-operation.

Pi Delta Rho

President.....LORETTA NEUBERT
Vice President.....VIRGINIA MOORHOUSE
Secretary.....MARGARET KESSON
Treasurer.....BETSY FRENTZ

PI DELTA RHO originated in 1922 as a Present Day Readers' club. The literary purpose, however, has been abolished and the club has become a social organization, supporting the activities of the school and maintaining high standards of girlhood.

At a formal and an informal initiation held October 15 and October 20 respectively, nineteen girls were added to the membership, making a total of forty-five active members. Pi Delta Rho alumnae sponsored two dances for the club, one during the Christmas holidays, and the other in the spring.

Many worthwhile projects were planned and carried out this year. At Thanksgiving, five baskets of food were given to the needy. From this year's proceeds of the Christmas dance, a revolving fund has been started to lend money to any girl needing financial aid in high school, and the club endeavors to bring cheer to classmates who are ill and unable to attend school. A Pi Delta Rho assembly was sponsored in the spring for the entertainment of the high school students.

Mrs. Mary A. Trafton has been sponsor of this group since its origin. It has been through her efforts and interest that success has followed each activity.

Le Cercle Francais

President.....IVA POLZIN
Vice President.....MARGARET HODSON
Secretary.....AMY SCHOELKOPF
Treasurer.....PAGE EDMONDSON

THE purpose of Le Cercle Francais is to acquaint students of the French classes with French literature, music, and social customs. Meetings are held on the first Wednesday afternoon of every month in the French room. The meetings are conducted in French, though occasionally the difficult words are translated for the newer members. At the end of each program, refreshments are served.

An informal initiation of twenty new members was held in December at a Christmas party, making the total membership fifty-two. French I and II students maintaining an A or B rating are eligible for membership, and all second year students are automatically included.

Le Cercle Francais was entertained by the members of Die Deutsche Gesellschaft at a joint meeting in February.

Miss Helen Crooker, instructor of French, is sponsor of the club, and this organization has benefited greatly by her leadership. She has made the study of French customs more realistic through the stories of her experiences while studying at the University of Lyons in France, and the members are exceedingly grateful to her.

Die Deutsche Gesellschaft

President.....PAUL MEYER
Vice President.....DUANE EBERLEIN
Secretary-Treasurer..FLORENCE SANDSTROM

To create interest in German culture, music, education, and manners is the purpose of Die Deutsche Gesellschaft.

Eligibility for membership in this organization requires an A or B average for German I and II students, while German III and IV students must have an average of C or above. Thirty-five new members were initiated in November, making the total membership fifty-five.

Die Deutsche Gesellschaft entertained the members of Le Cercle Francais at a joint meeting in February. The Rev. J. R. Pennington, who spoke on his travels in Germany, was the principal speaker.

The meetings, which were held on the first Wednesday of every month, consisted chiefly of talks on Germany given by prominent business and professional men. Members of the organization contributed to the program with reports on German authors and composers and also with musical selections. Those on the program committee for the past year were June Ogee, Betsy Frentz, and Annemarie Friedricks.

The club owes much of its success to the untiring efforts of Miss Frances Klampe, club sponsor, and wishes to express its appreciation for her splendid interest.

Hi-Y

President.....LAWRENCE MORRIS
Vice President.....GARLAND ODLAUG
Secretary.....HARRISON TAYLOR
Treasurer.....FRANK HECKEL

HI-Y was created for the purpose of building better characters for high school boys. Because this includes various subjects, any problems which confront the members at the time are discussed.

A banquet, at which there was an outside speaker, was given on the third Monday of each month. Meetings of this organization consisted of general discussions and were held every Monday night. Besides these regular weekly meetings, the club held informal parties at different times during the year.

Any boys who the active members believe will work together and have an interest in this type of an organization are eligible for membership. Fifteen boys were added to Hi-Y in September, making a total of thirty active members. An informal initiation was held in the high school gymnasium.

In February the Hi-Y completed the furnishing of a room at the Y. M. C. A., which was used for their weekly meetings and also as a recreation room during the rest of the week.

Having completed several years of service as sponsor of Hi-Y, W. D. Willard resigned and Arthur Antonson filled his position. The club owes much of its success to the work of these men.

Boys' Civic Club

President ..... LAWRENCE MORRIS
Vice President ..... CLAYTON CALL
Secretary-Treasurer ..... HUGH WILLARD

THE purpose of Boys' Civic club is to develop the ability to discuss civic problems of the present day and to furnish an opportunity for drill in parliamentary practice.

The meetings of this organization, held at the high school on the second and fourth Wednesdays of each month, consisted of talks on world problems by prominent local men. In addition, discussions of current events by the boys stimulate their civic interests.

Any student whom the active members believe will co-operate with the others and have an interest in the activities of the club is eligible for membership. This group began functioning actively with an informal initiation in the high school gymnasium the last of October, under the supervision of the officers. The membership now totals thirty-five.

Boys' Civic club sponsored an assembly celebrating Lincoln's birthday anniversary, at which the Reverend Rob Roy Hardin gave a dramatic reading.

Philip C. Iverslie, who is the sponsor of this organization, deserves much credit for the club's active participation in school activities.

Girls' Civic Club

President.....JUANITA RABE
Vice President.....MELVA JEAN COULTER
Secretary.....MARIAN NICHOLS
Treasurer.....JEAN ROBERTS

GIRLS' CIVIC club was created to furnish an opportunity for drill in parliamentary procedure and to enlighten its members on present-day world problems and events.

Twenty new members were added to this organization in October. A banquet given by the new members at the Empress cafe closed a week of informal initiation.

A special project of the club this year was the sponsoring of an assembly celebrating the three hundredth anniversary of the founding of the high school in the United States.

Meetings were held on the third Tuesday of every month. The topics for discussion included: Christmas in other countries, patriotism, youthful delinquency, general health, and opportunities offered by colleges.

Election of officers for the next year is annually held at an informal tea given at the president's home.

Miss Ann Erickson, sponsor of the group, has made the club a more active organization through her ceaseless co-operation. She has made the problems of civics and the discussions of world events a more interesting study.

President	Eileen Murphy	Charlotte McLaughlin	Marielou Keene
Vice President	Janet Smith	Jean Wilkinson	Jean Wilcox
Secretary	Avis Peters	Margaret Mark	Bette Ross
Treasurer	Loretta Morse	Jean Book	Barbara Kesson

To "face life squarely" is the purpose of the Girl Reserves.

Each Fall the Junior Girl Reserves select the Sophomore group. The Sophomores advance each year to become the Junior and Senior Girl Reserves successively.

The meetings are held once a month, the seniors holding theirs on the fourth Thursday; juniors, the second Thursday; and sophomores, the first Thursday. Meetings are conducted at the Y. W. C. A. and preceding the business meeting a supper prepared by the girls is served. The programs consist of talks on various subjects, musical numbers, and readings.

Miss Nellie C. Olson is sponsor of the senior girls; Mrs. R. C. Wilson, the juniors; and Miss Gertrude Blanchard, the sophomores. Mrs. Wilson is also general sponsor of all the Girl Reserve groups of high school.

A Capella Chorus

President.....STANLEY TILLISCH
Vice President.....ROSALIE PEDERSEN
Secretary.....MARGARET MARK
Treasurer.....GORDON LUNDIN

UNDER the capable direction of Miss Vivian Klein, director of Honorary Girls' Glee club, Boys' Glee club, Sophomore Girls' Glee club, and A Cappella chorus, a better understanding of a finer type of music has been given Mankato students.

Approximately twenty new members were added to the A Cappella chorus in September, making a total of sixty active members. This group meets two days of each week during study hour.

On December 17, a combined chorus, consisting of members of A Cappella chorus, Honorary Girls' Glee club, Boys' Glee club, and the Sophomore Girls' Glee club presented a Christmas program for the Parent-Teachers' Association. All of the musical organizations have made several other public appearances throughout the year, each one of which has been commendable.

The operetta, "All At Sea," which was presented February 14 at the Lincoln auditorium, was the outstanding feature in the activities of the music department. A cast of seventy-five participated.

Members of the glee clubs took part in the "Big Eight" music festival which was presented at Albert Lea May 10. Nine schools were represented at this annual affair.

The Honorary Girls' Glee club and the A Cappella chorus assisted other Mankato musical organizations during music week in presenting a cantata, "The Creation," and by assisting other high schools in a special program, Wednesday, May 8.

The musical abilities of the members of the various glee clubs have improved greatly under Miss Klein's guidance.

Band

President.....GERALD PRINCE
Vice President.....LAWRENCE MORRIS
Secretary-Treasurer.....WILBUR PETERSON

THE purpose of the band is to develop the musical ability of its members; any student who plays an instrument or is willing to learn to play one is eligible for membership. Because the membership increased to forty-five, five new uniforms were purchased, as well as new musical instruments valued at $175.

A new and attractive feature was added to the band this year by Ardin McGowan, drum major, who capably performed twirling acts with his drum major's baton.

The band showed its school spirit by playing at all home football and basketball games, and also traveled with the football squad to Albert Lea. It played at the Senior Carnival, the annual fall opening of Mankato stores, two political rallies, and for the hardware train which passed through Mankato in January.

Under the capable direction of Karl J. Aaberg, the band has become a more successful organization. He is working on plans for letters for band members who deserve special recognition.

OUR SOLAR SYSTEM

IN the trophy case, and in traditions, which are many and old, we find symbols of the annual events and activities of the year which are of interest to the entire student body. These activities are an honor to the school and are enthusiastically supported by all the worthy members of the Mankato senior high school.

Dear Dixon,

Good luck to you in your junior and senior years. Hope to see you on the football squad next year

Stan Shores

Dear Dixon,

You're quite a guy, Hot Dixon. Here's to an old friend and pal. Hoping you lots of luck in your Junior year.

Student Council

President.....BERT BROSNAN
Vice President.....LEE SNILSBERG
Secretary-Treasurer.....HELEN NELSON

REPRESENTATIVES from each home room compose the active members of the Student Council. In addition, the editor-in-chief of the Mankato High News and the editor-in-chief of the Otaknam are honorary members. The council meets every Monday morning at 8:30. Principal L. R. Kresensky appoints the secretary, while the president and vice president are elected by the council members.

The purpose of the Student Council is to create a closer relationship between the student body and the faculty, and to promote the best interests of the school. The representatives discuss problems of the school, and then in turn bring them up for debate in their home rooms. The reaction of the student body is returned to the council. Some of the best ideas of the school have originated here, such as eligibility, school customs, and student activity tickets. The group also extends the sympathy of the school by sending cards to students who are ill.

The council expresses thanks to Dennie D. Peterson, the sponsor, for the time, effort, and assistance he has given the organization.

Declamation

DUPLICATING the record of the past year by sending a contestant to the state finals at Minneapolis, March 27, Mankato again proved itself outstanding in declamation. For the first time a sophomore, Jean Wilcox, placed first in the sub-district, district, regional, and inter-regional, placing third in the state contest and second in State Forensic, thus winning the right to participate in the National Forensic contest at Kent, Ohio, in May.

Representing Mankato in the sub-district contest were Ayres McGrew in the oratorical division, with his selection "The Strange Drama"; Bette Patnode, humorous, with "Tipping off Teacher"; and Jean Wilcox, dramatic, with "The Blessed Damosel."

Ayres McGrew and Jean Wilcox placed first in the sub-district held at Garden City, while Bette Patnode obtained second place. Ayres McGrew placed second in the district contest held in Mankato.

March 21 and 22, the annual state forensic contest was held at Roosevelt high, Minneapolis. Those entered were as follows: declamation, Bette Patnode, gaining fourth, Jean Wilcox, gaining second, and Ayres McGrew; extemporaneous, Lawrence Morris. and discussion, Thomas Edwards.

Those who obtained second place in the local contest were LeRoy Dowry in the oratorical division, whose selection was "The Challenge of the Unemployed"; Muriel Foster, humorous division, with "By De Photographers"; and Charlotte McLaughlin, dramatic, with "Mercedes."

The contestants owe much to the coach, Miss Irene Mehlhouse, who is responsible for all the declamation activities.

Debate

BECAUSE of the unusual amount of talent this year, two debate teams were selected to represent Mankato. Those chosen at the try-outs held during November and December of 1934 were as follows: affirmative team, Lee Snilsberg, Robert Gentz, and Leas Schwickert; negative team, Ayres McGrew, Thomas Edwards, and Robert Lloyd. Lee Snilsberg and Robert Gentz were the only members from last year's team.

The question for debate was Resolved: That the federal government should adopt the policy of equalizing educational opportunities throughout the nation by means of annual grants to the several states for public, elementary, and secondary education.

Non-decision debates with Rochester and New Ulm were given for practice before the district meet. The team went to Worthington for the regional meet and won the first debate but was defeated in the second.

Four members of the team, Lee Snilsberg, Robert Gentz, Leas Schwickert, and Robert Lloyd, went to Minneapolis to enter the National Forensic contest. They won decisions in the debates with Roosevelt High and with Minnehaha Academy, but were defeated in the debate with West High.

Mankato, having the only debate team in its district, was named district champion by default.

Until February 20, Miss Nellie C. Olson was debate coach; then, due to her extended absence, Reuben J. Talle took her place. Much credit is due Miss Olson, Mr. Talle, and Miss Irene Mehlhouse for the splendid direction given the team, and much is expected of the three members who will return next year.

"Meet Uncle Sally," a three-act comedy by Jay Tobias, was admirably presented by the junior class on November 9, 1934 at the Lincoln junior high school auditorium. The setting is laid in the Blaine living room. Throughout the play there are many comical incidents with Sally's impersonation of the millionaire uncle making the situation more involved when the real uncle arrives. There are three romances in the plot with the addition of the ridiculous sort.

In recognition of her excellent work in the production of the play, Miss Irene Mehlhouse was presented with a bouquet.

The Junior-Senior Prom

GAYLY decorated in every color of the rainbow and spotted with bright balloons, rainbows, and pots of gold, the Lincoln gymnasium, May 29, was the scene of much festivity—the Junior-Senior Prom of 1934. Preceding the prom a banquet was served in the halls by the high school Parent-Teachers' Association who were assisted by sophomore girls adorned with aprons and headbands in keeping with the theme. Nearly 450 juniors, seniors, and teachers attended both banquet and prom, and two representatives of each class gave after-dinner speeches. Catherine Chesley, speaking on "The Pot of Gold," and Edmund Donahue, speaking on "Shadows," were the two chosen from the 1934 class; and Melva Jean Coulter, giving "The Spectroscope's Revelation," and Lawrence Morris, giving "Our High School Spectrum," from the class of 1935. Superintendent J. E. Anderson spoke on "Reflections."

The juniors being hosts to the seniors, Charles Hoerr, junior class president, with his lady, Loretta Neubert, headed the grand march into the dancing hall. Gilbert Ewalt, president of the senior class, with Betty Bull, was second in line.

The march led to a many colored table on which was discovered the famed pot of gold filled with hundreds of pennies. Nearby were green, blue, red, yellow, orange, and purple clappers with long brilliant streamers. Balloons, whistles, clappers, pennies, miniature rainbows, and dance programs of varied hues—all these were very much in evidence among the dancers, especially during the encores. Bill Manderfeld's orchestra furnished the music.

At exactly twelve o'clock the dancing ceased, the card playing stopped, and it was home and bed for the weary but happy students and teachers.

The Prom! Anticipation, realization, and finally, reminiscence.

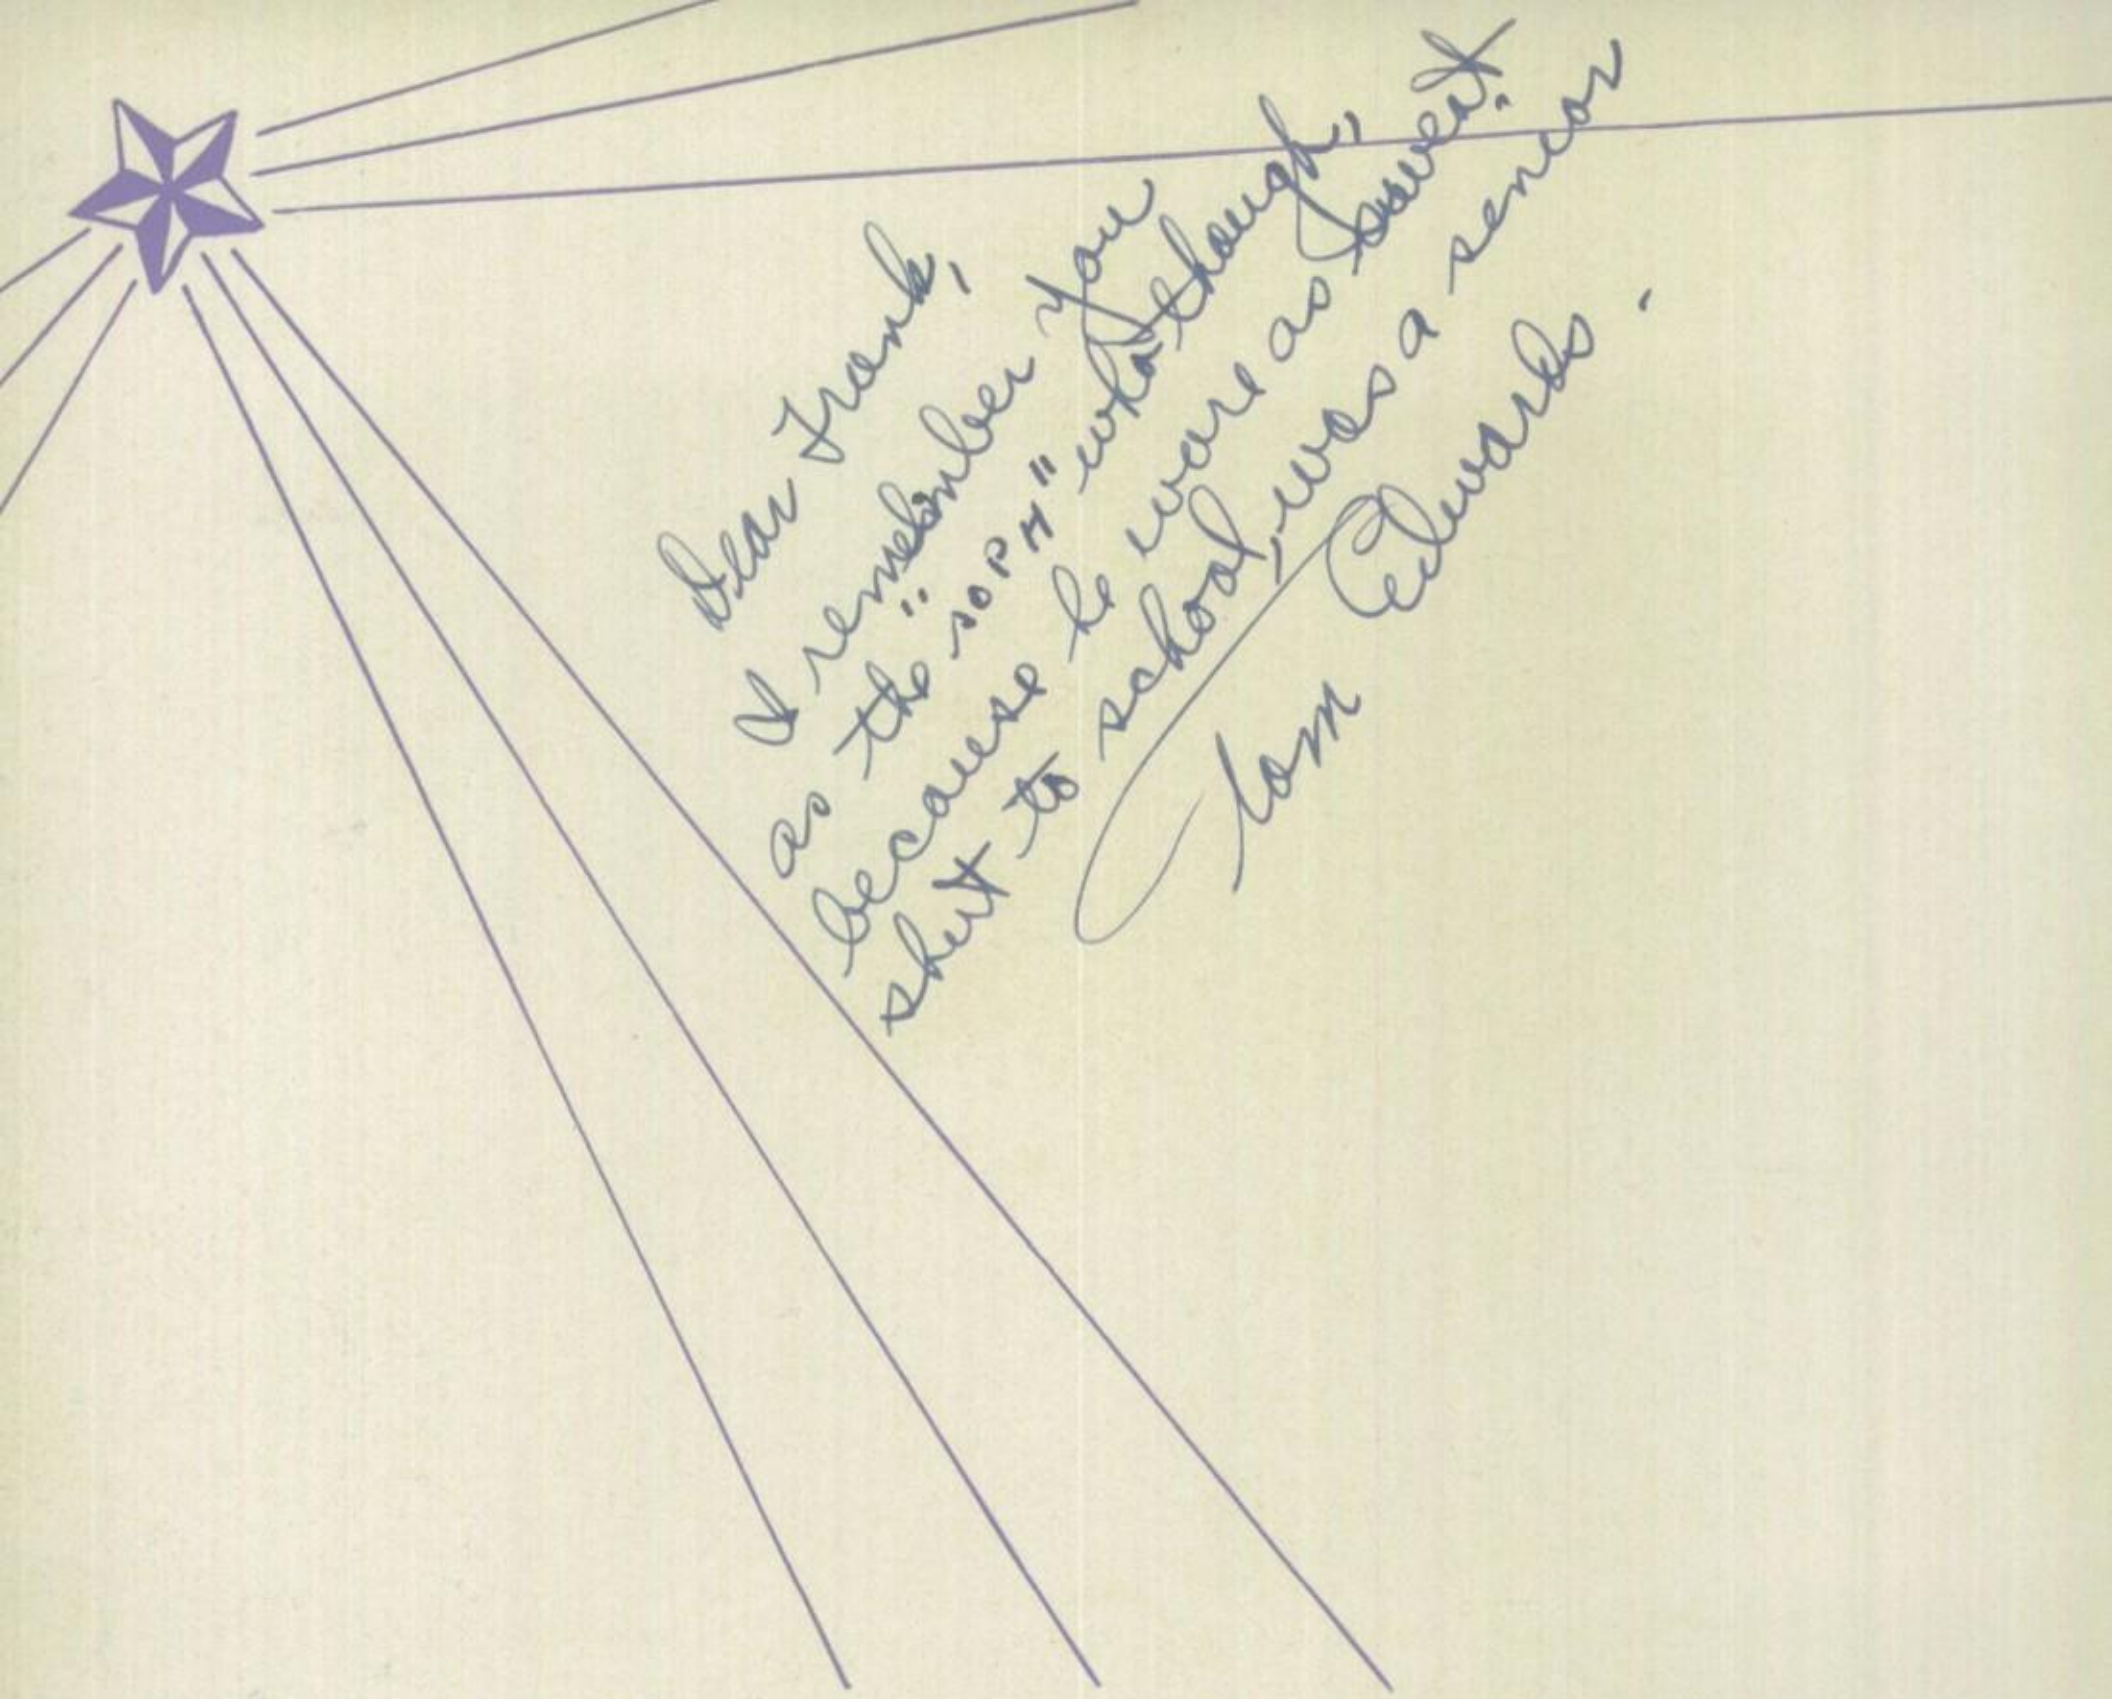
The two-act operetta, "All at Sea," a Gilbert and Sullivan dream by David Stevens, was presented at the Lincoln junior high auditorium on February 15, 1935 under the direction of Miss Vivian Klein. The cast was selected from members of the various glee clubs from which the members of the chorus were also chosen.



COMETS

LEADING the comet is commonly found a bright nucleus which, in the stellar system, is surrounded by the coma. Athletes act as the nucleus and their enthusiastic admirers serve as the coma. Symbolizing athletics better than anything else is the locker where the athlete prepares for combat.

Getting the entire student body's support of school activities is the purpose of the Yell club. This organization promotes parades and pep assemblies, and was a factor in securing the adoption of the student activity ticket system. Clayton Call and Pete Canellos were selected as yell leaders to increase the enthusiasm at games and assemblies. William F. Small is to be congratulated for his commendable work as sponsor of this club.

Pete Canellos Clayton Call

Coach Louis N. Todnem

The purpose of interscholastic athletics is not only to teach the boys physical excellence but fair play in every field of endeavor, now and in later life. During the ten years Mr. Todnem has supervised physical training in the Mankato public schools, his teams have always been respected and feared by their opponents for their clean, hard playing, and he has always upheld the purpose stated above. A great deal of this high school's athletic success is due to the efforts of its coach, Mr. Todnem.

CAPTAINS

DE VERE WOLCOTT

De Vere Wolcott, 440 ace and relay man, successfully led his team through the district and regional meets and to third place in the state contest. "Dee" is a senior this season, but the eight semester ruling barred him from most of the meets.

WOODROW OLSEN

Woodrow Olsen has earned nine letters at Mankato high. He has led the Scarlets to many victories as football captain and quarterback, and was chosen as the leading quarterback in the Big Eight conference. "Woody" will be missed in next season's campaigns.

CHARLES HOERR

Charles Hoerr showed much more interest in leading the Scarlet quint than past captains have. Whenever a few points were needed "Chuck" would bag a long swisher. Mankato high school can well be proud of the boys its teams pick for leaders.

H. Taylor, A. Wornson, W. Miner, H. Goff, C. Wolcott, C. Brell.

Athletic Managers

AN ATHLETIC manager has many duties to perform. Inflating basketballs and footballs, looking after equipment, and watching the boys' possessions are a few of them. In addition to this, the football managers must chalk the field, and in track, dozens of pairs of legs must be rubbed down after each practice.

The senior managers are rewarded for their tireless efforts with letters similar to those given to the players. Those seniors being rewarded this year are William Miner, in football; Henry Goff, in basketball; and Clifford Wolcott, in track. The others in the picture are assistants and are not eligible to receive letters until they are seniors.

ASSISTANT COACH

Dennie D. Peterson, known as "Pete," came to Mankato High two years ago to assist Coach Louis Todnem in athletics and teach commercial subjects. He has an enviable record, having been all-state man in college basketball for two years and also captain of the cagers in his senior year at Macalester college.

Mr. Peterson's knowledge of sports and sense of fair play have made him a valuable asset to the Scarlet teams.

Football Season

AT THE start of the 1935 season, five conference opponents in succession faced Mankato, giving the team plenty of competition. A strong offense gave them the advantage over Red Wing and Faribault, but only a field goal provided the margin at Rochester.

The first setback came at Austin under a heavy rain, the Scarlets losing by two points. Last of the conference opponents was Albert Lea. This game was also the team's last defeat. An improved defense led them to victory over Blue Earth, Owatonna School for the Deaf, and St. Peter, ending another successful season for Mankato.

Football Lettermen

WITH eight lettermen back, Mankato faced a hard test to start the 1934 season. Five conference teams kept the Scarlets jumping before they knew their own strength. The team, however, tied for fourth in the Big Eight with three wins in five tries.

Mankato was well represented on the all conference team, Woodrow Olsen making the first team, and Hugh Willard and Henry Jabbra making the second eleven. Nine lettermen, more than this school has had in many years, will be back in '35.

HENRY JABBRA, *Half*

Joe "Speed" Jabbra has been a constant threat to all opponents. Joe has held down a position on the all conference second team for two years.

WOODROW OLSEN, *Quarterback*

Through his hard drive and excellent leadership, Captain "Woody" Olsen made the all-conference eleven. His field goal provided the margin at Rochester.

KENNETH JEFFERSON, *Guard*

This scrappy senior was always pepping up the team. "Jeff's" heads-up playing kept Kato in the lead in that hectic Rochester game.

JAMES RILLING, *Tackle*

"Dummy" was rewarded with honorable mention in the Big Eight. He was the hardest tackler on the squad.

DUANE SIMMONDS, *End*

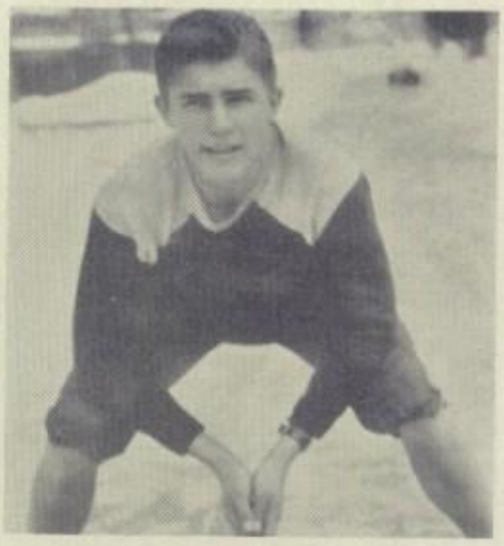
In every department of his position, "Sims" turned in outstanding performances. He will be hard to get around next year.

FRANK HECKEL, *Guard*

Frank's playing was a bright spot in the Scarlet defense. He specialized in blocking placements and punts.

MILTON BROCKMEYER, *Center*

"Ja," the tall center, handled the difficulties of his roving position well this year, earning honorable mention for his consistent drive.



KARL KEHNER, *Center*

Being able to remain cool under all difficulties kept Karl in touch with opposing ball toters. He will be "pulling 'em down" in '35.

CHARLES HOERR, *Fullback*

"Chuck's" deadly blocking paved the way for many of Kato's long touchdown runs, giving him honorable mention in the Big Eight.

EUGENE BOYCE, *End*

Although he didn't see much action, Eugene came through to earn his letter after three long years of hard work.

CURTIS BROOKS, *End*

Though handicapped by being small, "Curt" developed into an all-around good end. He received his letter after three years of "give and take" on the Scarlet squad.

ELDEN FRENCH, *Fullback*

"Frenchy" was distinguished for his ability to run back punts. His blocking and defensive playing also stood out.

HAROLD OLSON, *End*

Over, under, around, and through interference—a perfect picture of "Ole." Harold's pass receiving held the interest of the fans at every game.

MATHEW MINER, *Guard*

"Matt" was one of the best all-around linesmen the Scarlets had. His ability was recognized when he was given honorable mention in the Big Eight.

DONALD DONAHUE, *Half*

"Don" did his bit in the Blue Earth game. His ability to cut back and reverse his field resulted in two touchdowns for the Scarlets.

PETE CANELLOS, *Quarterback*

The second team, with Pete calling signals, made a long touchdown march against Faribault. Pete will be quarterback and leading line plunger next year.

WALDEMAR KLAMMER, *Tackle*

"Walt" developed into a reliable tackle late in the season. He made it tough for opposing line plungers.

BERNARD HUFFMAN, *Halfback*

Filling in a position left vacant by graduation was "Torchy's" job, and he filled it to the brim. "Red" intercepted a pass at Rochester for a touchdown.

HUGH WILLARD, *Tackle*

Hugh taught opposing linesmen to respect his position, his weight raising the tonnage of the team considerably. He was chosen on the all-conference second team.

LE ROY DOWREY, *End*

"Ben" didn't play as much this year as last because of the over-abundance of good ends, but when he was in the game he was a hard man to get around.

LEE SNILSBERG, *Guard*

When it came to fight, Lee had plenty of it. Hard, clean blocking made him an outstanding threat.

WILLIAM MINER, *Manager*

A manager's duties are many and varied, but "Billy" handled them exceedingly well. As a result, the manager next year will have an easier time.

Basketball Season

At Coach Todnem's first call, 64 boys reported for basketball practice, among whom were three veteran lettermen, Captain Charles Hoerr, Karl Kehner, and Woodrow Olsen. These three with the addition of Henry Jabbra and Duane Eberlein comprised the quint which defeated St. Peter, 27-18, in the season opener. Ragged passing on the part of the Scarlets and the Saints' ability to count on gift tosses made the score close.

Featuring Sammy Andersen, who scored 37 points in the two games with the Scarlets, the Northfield Raiders swooped down on Mankato and grabbed the long end of a 29-21 score, giving the Katoans their first conference loss. Each time the Scarlets threatened to overtake their opponents, a Raider would loop another basket for Northfield. A new rival from Mankato appeared in state high school competition in the form of the Teachers College high school. The Scarlets trounced this smaller opponent decisively on the Teachers' floor 37-13.

A veteran alumni quint handed Mankato its second defeat of the season 36-28. The contest was close until the last quarter, when the graduates ran up 14 points. One of the most thrilling games of the season came at Albert Lea the following Friday night. The Scarlets outplayed their conference opponents during the first half, but the Tigers came back in the second to finish with a 36-28 lead.

Austin, which won the state high school championship of Minnesota this year, was Mankato's next victim. The Packers were noted throughout the state for their strong defense, but the Scarlets outplayed them in this field on their own floor to bring home another Big Eight victory 18-15. No field goals were made by either team in the second half. Mankato next traveled to Faribault to test the strength of "Skinny" Brockmeyer's Fairies. Brockmeyer is a former M. H. S. athlete. A strong attack gave the Scarlets a 17-6 lead at the half. Mankato then kept its lead, finishing 31-21. Captain "Chuck" Hoerr led his team to victory, making 16 points.

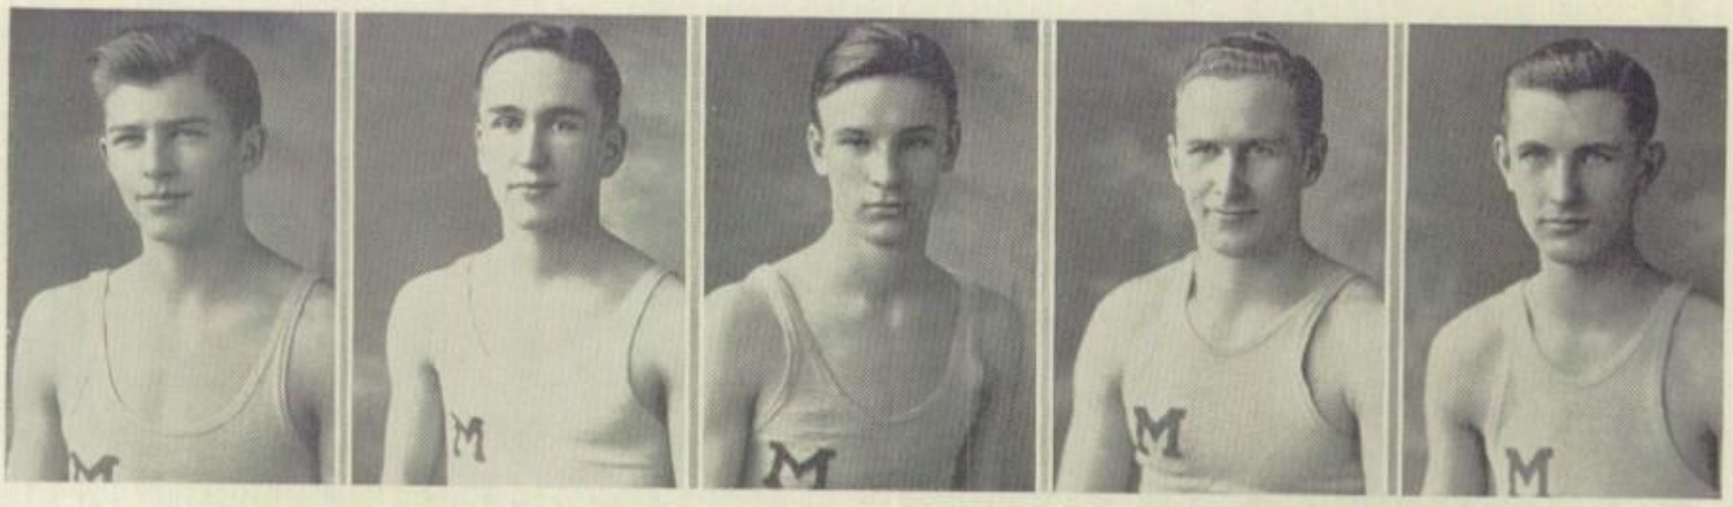
KARL KEHNER
Captain Elect

Winona brought to Mankato the tallest team the Scarlets had to face all season; however, the ragged passing of this conference opponent gave the Key Citians control of the ball most of the time. Duane Eberlein's eight free throws at various times in the contest kept Mankato in the lead, and a strong last quarter drive clinched another conference victory for Kato, 39-28.

The return game with Northfield was Mankato's best offensive game. The Scarlets held a 7-4 first quarter lead, but a determined Northfield drive gave the Raiders an 18-14 margin at half time. The second half was a free scoring melee for both teams, the final score giving a 48-36 margin to the Raiders. Mankato went to Albert Lea with hopes of avenging its previous setback from the Bengal's hands, but the scoreboard read 33-27 against Kato after a final Scarlet drive had fallen short of its objective.

Win Brockmeyer brought his Fairies to Mankato in a return game for the Scarlets' last Big Eight battle, which turned out to be one of the most cleanly fought games of the season. The Katoans won 21-11 to end their conference season with a .500 rating.

The second team held St. Peter in check for the first three quarters in the next contest, but the first five were finally sent in to eke out a victory by making three points. In the last pre-tourney tilt the Scarlets' new neighbor across the street let the Todnemites know they weren't to be fooled with. The score was 6-4 at the half and 12-12 with only two minutes left of the game, but the Scarlets proceeded to make five more counters for a 17-12 victory.



KEHNER HOERR EBERLEIN OLSEN REASNER

KARL KEHNER, *Forward*

Karl's work under the basket made him one of the best cagers in the regional tourney. His cool judgment should make him a good captain next year.

CAPTAIN CHARLES HOERR, *Guard*

"Chuck's" deadly shooting could always be depended upon for badly needed points. His shooting ability and his excellent team leadership made him outstanding as a Scarlet captain.

DUANE EBERLEIN, *Center*

Duane developed into a flashy center whose scoring punch pulled Mankato out of many pinches. He made the best gift shot percentage of the Scarlets for the season.

WOODROW OLSEN, *Guard*

This husky cager won his third consecutive basketball letter this year with his consistent and determined playing. He easily made good his all-state record.

FRED REASNER, *Guard*

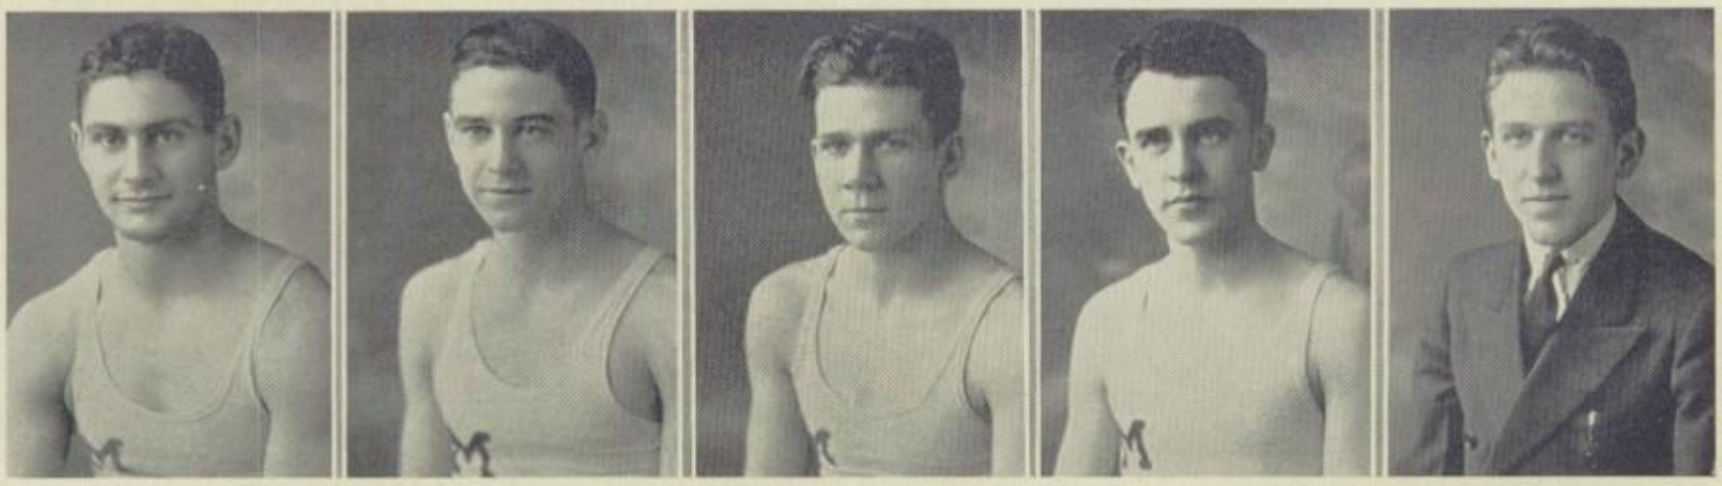
Fred had as keen a shooting eye as any other Scarlet basketeer. His guarding will be a mainstay of next year's quint, but he will be ineligible for competition in the spring semester.

District Tournament

INSTEAD of holding sub-district tournaments, thirteen teams in the sixth district met at the Mankato armory March 7 and 8 to decide the district basketball championship. Mankato, defending champion, Teachers college high, and St. James were the favored teams for the title. In the first round, Teachers college high beat Mapleton; Minnesota Lake took St. Clair; Mankato, Pemberton; Garden City, Lake Crystal; Amboy, Hanska; and St. James, Good Thunder. In the second round, Amboy beat Rapidan; Mankato downed Minnesota Lake; St. James beat Garden City; and T. C. high edged out Madelia to go into the semi-finals.

The semi-finals provided the most interesting games of the tourney. St. James was able to eke out a 25-24 win over the Amboy quint. Mankato came out on the long end of a 20-18 score in its game with the Teachers college high school.

The consolation and final games were dull and uninteresting. Teachers college high started scoring early and had no difficulty in winning the consolation tilt over Amboy 38-15. Mankato played its best game of the tournament in running over St. James 51-9. The Scarlets made 22 field goals and 7 free throws while the Jimmies, who were making no effort, scored but 2 field goals and 5 charity tosses. Winning this gave Mankato the sixth district title for the sixth successive year. The Scarlets captured three places on the all-district five with a fourth, Charles Hoerr, tying with Stanley Jackson of T. C. high for a guard position. Karl Kehner, forward, Duane Eberlein, center, and Woodrow Olsen, guard, combined with Luverne Winters of T. C. high to make up the rest of the team.



JABBRA HOOVER NEAL BROSNAN GOFF

HENRY JABBRA, *Forward*

"Joe's" speed, which amazed his opponents, kept him out of many tight spots. He will be swishing them in next season with the two other junior lettermen.

JAMES HOOVER, *Forward*

"Jimmie" could be depended upon for a few points whenever he played. Although he was small, his fast but cool floor-play easily made up for his size.

FRANK NEAL, *Forward*

Frank could play any position well. His ball handling was a feature of which any high school star could well be proud.

BERT BROSNAN, *Forward*

Bert was one of the coolest players on the squad. Light, but fast, he was always full of pep and vim to the finish.

HENRY GOFF, *Manager*

Henry, who was called to fill a vacancy last year, has served as manager for two years. He did his part in supporting the Scarlets.

Second Regional Tournament

AFTER decisively taking St. James for the district title, the Scarlets journeyed to Fairmont for the regional tournament. The Kato-Luverne tilt on the opening night was expected to decide the second region's representative to the state tourney; however, the Triumph-Monterey and Jackson quints, which upset the dope in their respective districts were expected to provide plenty of opposition.

Mankato was doped to beat Luverne although the contest was expected to be quite close, Luverne having an experienced quint of regional veterans. After Triumph-Monterey had upset Jackson by a 24-20 count, the Scarlets, playing a listless game, took to the floor against Luverne. The Todnemites didn't seem to realize the seriousness of the contest until it was almost too late to catch up. They then returned to the form of last year's state tourney vets and proceeded to overtake their rattled opponents.

The Scarlets tried some close shots in the last 30 seconds to overcome a two-point lead, but the gun sounded before the ball fell in, upsetting the dope in Luverne's favor, 21-19. It was the case of a good team playing its poorest game at the wrong time. Luverne beat Tri-Mont the following night by a decisive score and went to the state tourney where they took fifth place.

In the consolation game with Jackson the Todnemites immediately took the situation in hand. As a result, Jackson received defeat with the score 50-19. Karl Kehner was easily the outstanding performer of the tournament, scoring 37 points in the two games.

The Jackson tilt was the last contest played by six lettermen for Mankato high school. These six were: Captain Charles Hoerr, Duane Eberlein, James Hoover, Woodrow Olsen, Frank Neal, and Bert Brosnan. Returning lettermen for next year are: Captain-elect Karl Kehner, Fred Reasner, and Henry Jabbra. Fred, however, will be eligible to compete in the fall semester only, and not in any of the tournaments, which condition leaves only two lettermen for the heaviest part of the season.

Saturday Morning League

ESTABLISHED several years ago, the Saturday Morning League has been very successful in giving boys who do not make the Scarlet squad a chance to play organized basketball. This year seven teams attempted to wrest the championship from the Yannigans, sophomore quint, which has held the title for the past two years. These teams were: Batty Bucketeers, Comets, Dummies, Ghosts, High News, Independents, and Sloppy Aces. An upset at the last game placed the Comets in a tie with the Yannigans for first place, these teams having 7 wins and 1 loss apiece. At the playoff, on the large armory floor, the Yannigans were victorious and were crowned league champions for the third successive year.

All the games were played in the high school gymnasium except the last, which was played at the armory. The sophies were coached by Assistant Coach Peterson, a former Macalester college basketball star. Much valuable material is brought out in the league games, giving the coach and the fans a good idea as to the next season's setup.

Golf

LOREN KRUGEL won the Big Eight golf championship at Albert Lea, and the team, consisting of Elden French, Lawrence Morris, Loren Krugel, and Milton Footh, tied with Red Wing for second place. Faribault won the tournament with 528, the Scarlets totaling 531. Mankato made a good showing at the State tournament, placing fourth.

Next summer's team looks promising with Morris, French, and Loren Krugel back. In addition to these, Leas Schwickert and Donald Krugel are bright prospects.

Boys' Tennis

As there was no tennis team representing Mankato high last year, two tournaments were held to bring out prospective material for a team next summer. LeRoy Marks won the boys' tourney with Roger Hartwick as runner-up.

Eleanor Brauch

Girls' Tennis

Eleanor Brauch and Janice Bounds went to the finals in the girls' tennis tournament, Eleanor taking first. These two tourneys increased the interest in a Scarlet team to represent Mankato.

Track Season

FOLLOWING the close of the 1934 basketball season, track practice began. Few boys reported for track, and to get more boys out, Coach Todnem held an inter-class meet April 31. The juniors won first with 59 points; the sophomores, second with 53; and the seniors placed last with 31. The following week the Scarlets competed in a dual meet with the Mankato Teachers college squad, losing by a 73-40 score to the older and more experienced boys. Against district competition, Coach Todnem's trackmen enjoyed a decisive victory, winning all the first places to garner 119 points as compared with 32 for the second place team, St. James.

The next meet was at Carleton college, Northfield, where Mankato, classed with the larger Twin City schools, came out fifth with 12½ points, taking first place in the half-mile.

Regional opponents provided stiff opposition, but the Scarlets managed to qualify eleven competitors for the State meet. The Katoites broke two records and tied one. The relay team, composed of Henry Jabbra, William Hickstein, Charles Hoerr, and Captain DeVere Wolcott broke the record by winning the half-mile in 1:37.5. Henry Jabbra tossed the 12-pound shot one-half inch less than 48 feet to set a new record, and Kenneth Jefferson ran the 880 in 2:07 to tie the old record.

By collecting 16 points, the Scarlets placed third at the State meet May 26. Henry Jabbra made 10 points; Kenny Jefferson, 5; and the relay team, 1.

With seven lettermen back, the 1935 season should be very successful. The Scarlets were unable to participate in the Big Eight meet because it came on the same day as the regional.

With seven lettermen back, namely: Milton Brockmeyer, Donald Donahue, William Hickstein, Charles Hoerr, Henry Jabbra, Kenneth Jefferson, and Woodrow Olsen, the 1935 season should be very successful for Mankato. The Scarlets were unable to participate in the Big Eight meet because it came on the same day as the regional.

TRACK CAPTAIN

One of the most successful of the season's trackmen was Captain-elect Kenneth Jefferson. He won every event in which he participated, his great endurance carrying him through to the state championship in the 880. The 1935 team has an able leader in Kenneth.

MISS ALICE RUDBERG

The girls' physical education instructor of the Mankato public school system, Coach Alice Rudberg, is a graduate of the physical education department of the University of Minnesota. In addition to teaching gymnasium classes and coaching at the Senior high and the Lincoln and Franklin junior high schools, she also teaches physical culture at the Lincoln, Franklin, Union, and Roosevelt grade schools.

The fact that Miss Rudberg stresses fairness in competition and cleanliness of mind and body in all of her classes has won her the respect and admiration of all of her students.

Volleyball

Since only ten girls reported for volleyball last year, no team was chosen. The girls who came out for practices, however, were Janet Lou Smith, Betsy Frentz, Marian Nichols, Leona Lundin, Margaret Kimble, Eileen Murphy, Peggy Eberhart, Juanita Rabe, Blanche Andreasen, and Jean Roberts.

Each year four girls are elected from G. A. A. to manage tenniquoit, basketball, volleyball, and kittenball. They have charge of the equipment and calling of the practices. In each of these sports except tenniquoit, the managers assist Miss Rudberg in selecting the teams. The basketball manager also helps to choose the girls' basketball varsity.

SINCE its organization in 1929, the aim of the Girls' Athletic Association has been to encourage individual and group sports among the girls at high school. Miss Alice Rudberg, physical education instructor, is the sponsor of this organization.

Twenty-seven girls have earned the one hundred points necessary for membership in G. A. A. For the first teams of basketball, kittenball, and volleyball, one hundred points are given; for the second teams, fifty. The winners of the tenniquoit tournament receive one hundred points, while their runners-up are given seventy-five. Points may also be earned by hiking, skating, skiing, sliding, horseback riding, bicycling, swimming, and also by stunts.

Each girl earning five hundred points is awarded a letter, providing she is at least a junior. The seven receiving these "M's" last year were: Blanche Andreasen, Gertrude Klughertz, Margaret Kimble, Betsy Frentz, Janet Smith, Marian Nichols, and Jean Roberts. Leona Lundin and Adeline Hauck were the only two having sufficient points to be awarded their letters this year.

Back Row: M. Seibert, M. Lind, L. Tamblyn, M. Nichols, A. Hauch.
Front Row: D. Cline, G. Klughertz, Miss Rudberg, L. Lundin.

Girls' Basketball Varsity

Miss Alice Rudberg, coach, and Leona Lundin, student manager, selected the following eight girls from the class teams to form the varsity: forwards—Dorothy Cline, Adeline Hauch, Gertrude Klughertz, and Leona Lundin; guards—Margaret Lind, Marian Nichols, Mary Seibert, and Lois Tamblyn. For the first time in four years this group played a game with the alumnae. They were defeated 28-21 in a closely fought battle.

To close the season the varsity met a faculty team composed of the Misses Vivian Klein, Mary Kraus, Nellie C. Olson, and Alice Rudberg, and Karl J. Aaberg, Russell J. Hammargren, and Dennie D. Peterson. The teachers won a decisive victory by a 42-29 score; 32 of the 42 points were made by Assistant coach Peterson.

Tenniquoit

Thirty girls entered the tenniquoit tournament. In the semi-finals Adeline Hauch and Leona Lundin won over Mary Hennessey and Phyllis Reed 6-1, 4-6, and 6-2. Margaret Kimble and Gertrude Klughertz downed Phyllis Eberlein and Joyce Steifenhofer 6-1, 3-6, and 6-2. With Adeline and Leona defeating Margaret and Gertrude, last year's champions, by 6-3, 4-6, 6-2, the third year of these games closed.

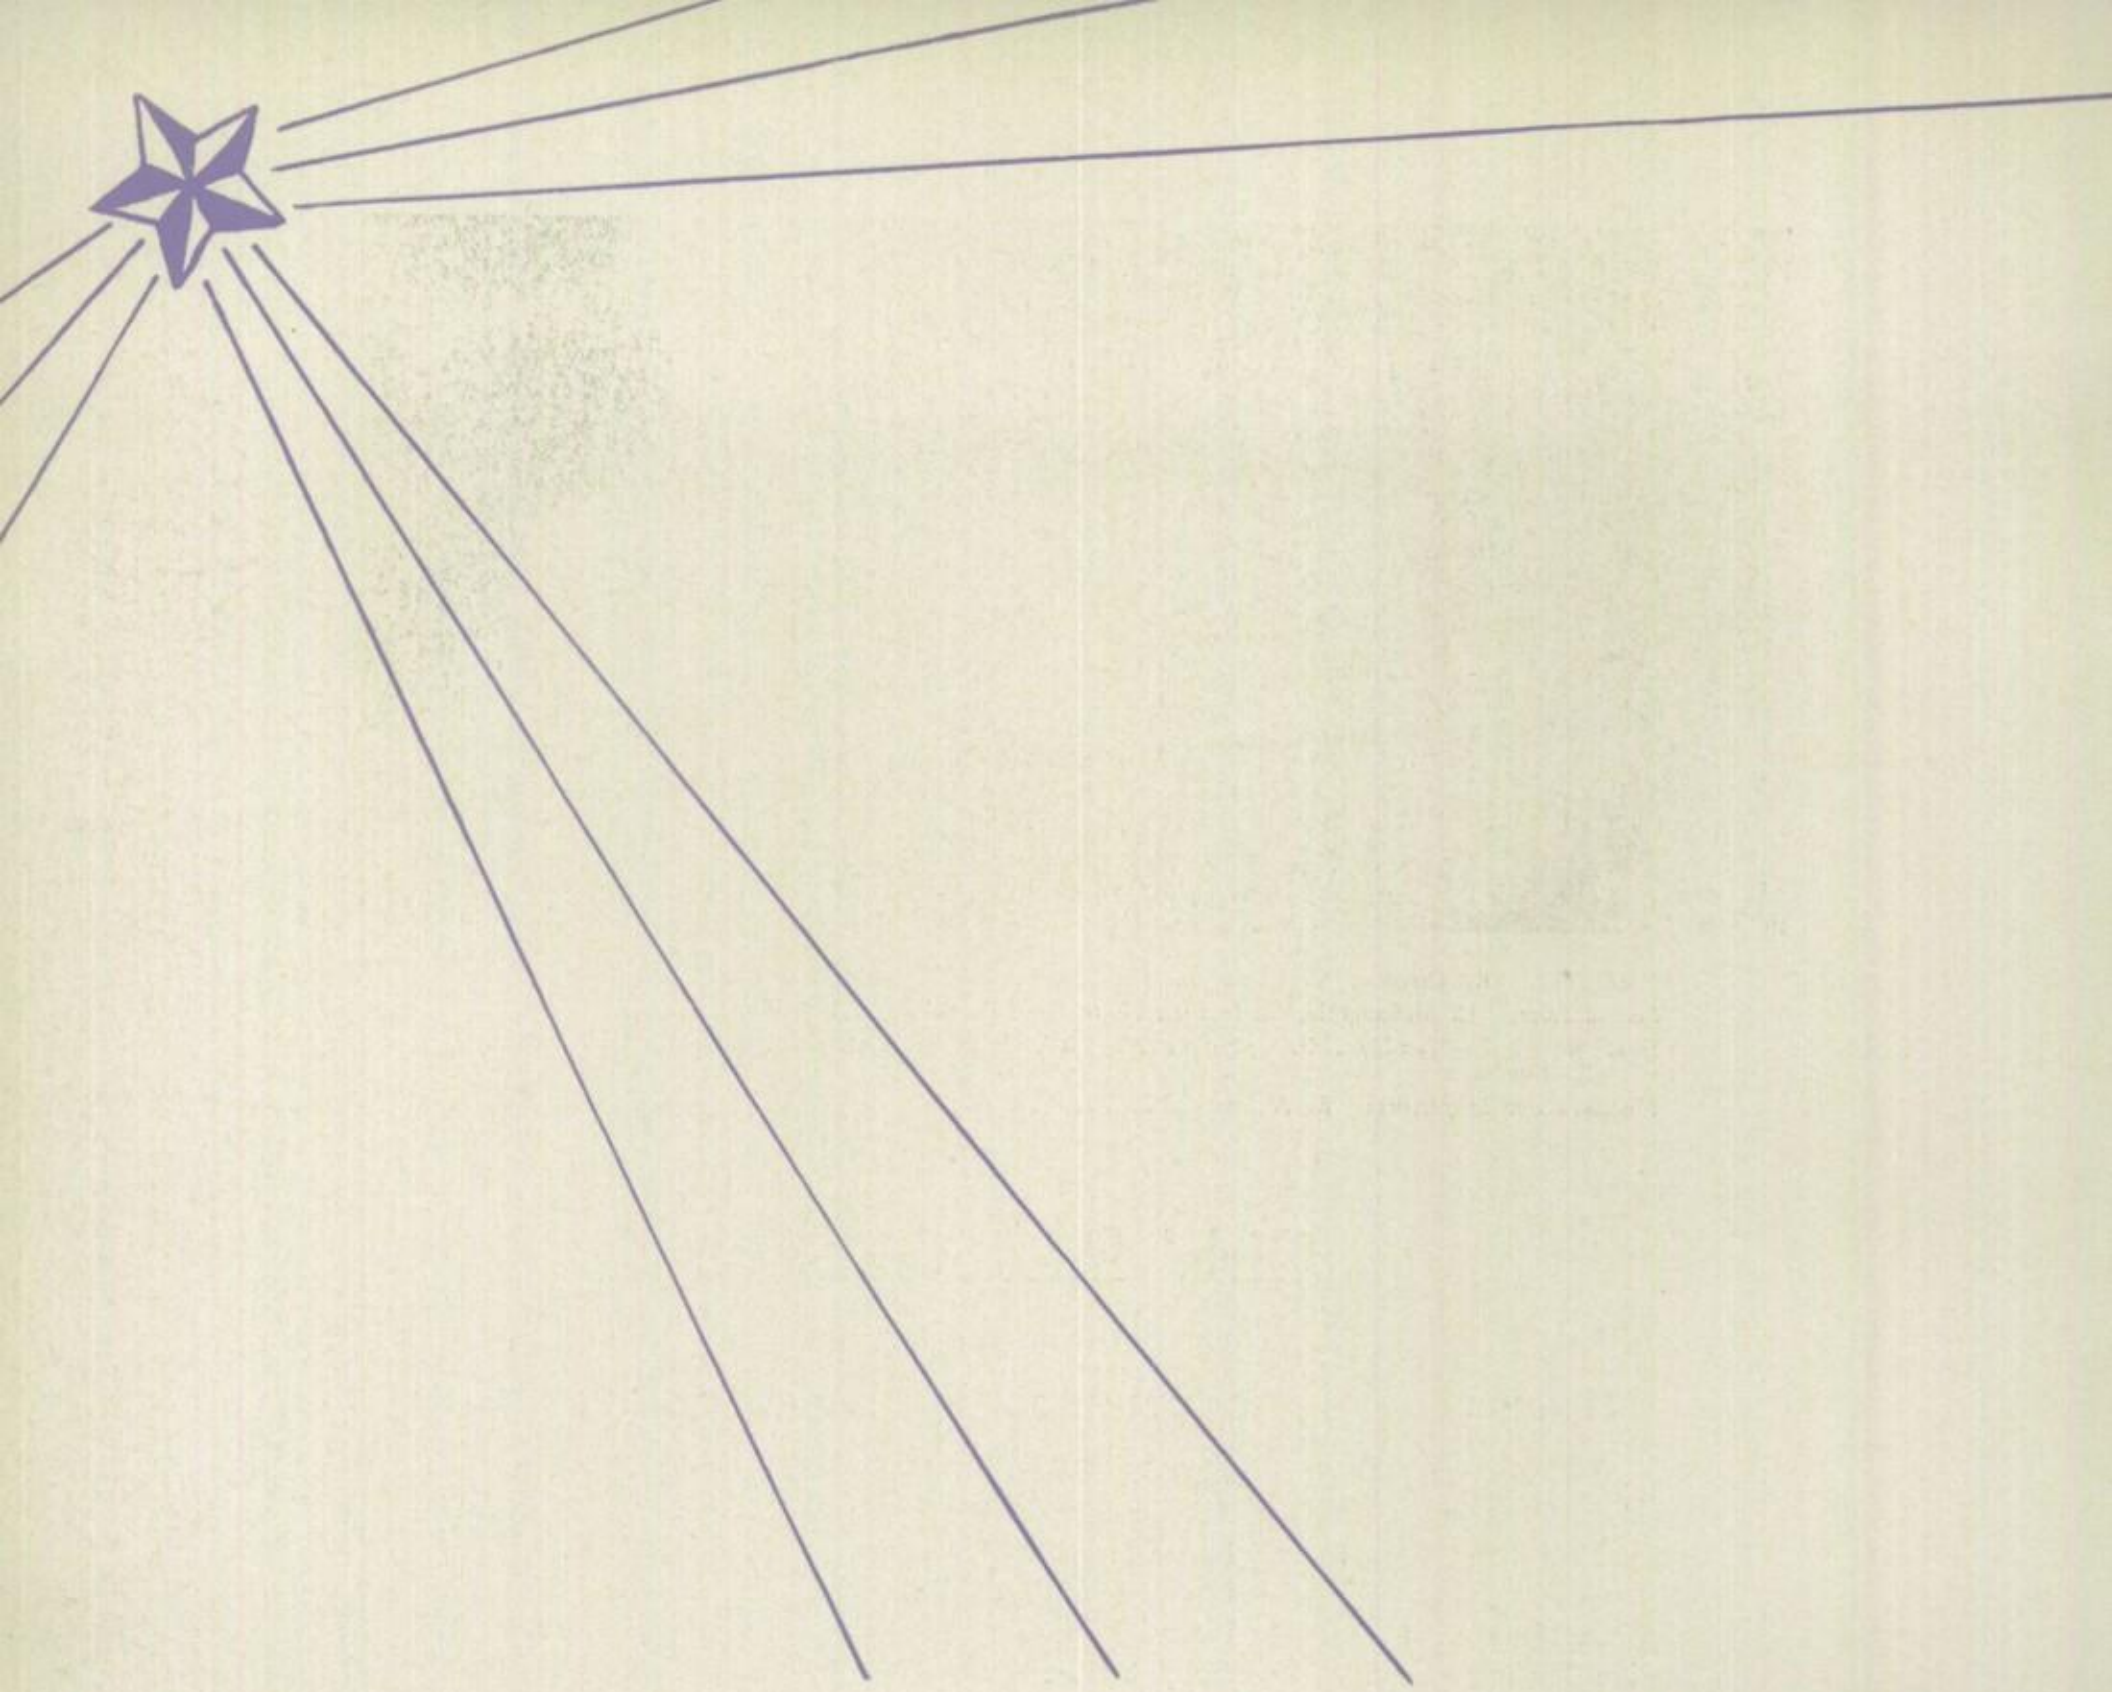
By defeating the sophomores and juniors, the senior girls' basketball team became the 1935 inter-class champions. A series of two tournaments were played to determine the winners. In the first contest the sophs defeated the juniors 45-24; the juniors downed the seniors 55-30; and the senior sextet won over the sophs 31-18 to tie up the series.

The seniors took the next tourney by defeating both juniors and sophomores by 22-18 and 32-17 respectively. Since the juniors and sophomores did not play their last game they tied for second place.

This year there were two teams in the Friday afternoon league. Members of Gertrude Klughertz's team were Dorothy Cline, Betsy Frentz, Adeline Hauck, Gertrude Klughertz, Leona Lundin, Marian Nichols, and Bette Ross; Eunice Bellevue, Sybil Donahue, Bernita Kehner, Margaret Lind, Harriet Popken, Frances Swanson, and Lois Tamblyn made up Frances Swanson's group. Both of these teams played night games with the Women's Independent League of Mankato.



METEORIC SHOWERS

THE motion of a meteorite is somewhat irregular. It moves at random and finally falls from the heights to the earth, as does this yearbook go from the sublime to the ridiculous, giving an account of the students and faculty, wandering and wondering at will. Only time, measured by the hall clock, regulated our activity.

A Day at M. H. S.

THE 8 o'clock bell sounds. A rush of feet is heard as the mad stampede to the lockers begins—only 30 minutes before the tardy bell will sound. Lockers slam, teachers admonish noisy students, sophomores attempting to go up a "down" stairs or down an "up" stairs are gleefully dragged back by the faculty monitors, the crowd around the bulletin board loudly discusses everything and nothing, "Kris" races through the halls requesting no loitering, and finally Miss Dethloff presses the bell that spells doom for such as Edgar Hippauf (who frequently comes a bit late!). Home room period has started. In the various rooms the students are banking, listening to reports from their student council representatives, passing judgment on the same, studying, discussing school problems, or—what have you? At 8:50 the bell again sounds and after three minutes, in which time a student must obtain the necessary books and be seated in his proper place in his first class, the first hour of torture begins.

Recitations, reports, tests, time out to request (?) Willy to get his lesson for a change, then time out to scold the class in general, studying, writing, writing, writing—ah, the bell. Three minutes and the second hour has begun. Another 55 minutes of the familiar routine and the 10:26 bell sounds for assembly.

The students push into "B" assembly wondering to what trials they will now be put. A sigh of relief goes the rounds when it is discovered that Mr. So-and-so will address the student body on "Why Teachers Go Mad." This will indeed be enlightening, as none of the assembled scholars has any solution for the problem. Mr. So-and-so talks, and talks, and talks, and talks, the principal coughs, the cooking pupils leave, Mr. So-and-so talks, and talks, the principal coughs—this time rather significantly, or it seems to the victims who are scheduled for a test the next hour—and finally Mr. So-and-so takes the hint as the bell blurts forth while he is reciting poetry. Mr. Kresensky reminds the students to keep off the T. C. lawn and the assembly is dismissed.

Third hour brings no relief to the overburdened pupils and finally at the sound of a bell (the time is now 11:50, courtesy Elvira Dethloff), the school is abandoned for the one-hour lunch period.

At five minutes to one William F. Small pulls himself up from the chair, placed in front of the entrance of the institution, upon which he has stationed himself to watch that the little demons don't get into the building one eensy, weensy, minute before time (as if they want to!). Then—the rush of the morning hours is repeated at noon—but more so. The time has been cut in half, so the lockers slam extra hard, the teachers admonish the noisy students in a new fury, and the green sophies are literally hurled up the "down" stairs and down the "up" stairs. The crowd at the bulletin board almost yells, the principal expresses his request in only one word, "scram," and at the time of the bell not a soul is in sight—except, of course, Edgar.

Fourth, fifth, and sixth hours unfold their interesting secrets in much the same manner as in the first, second, and third. German, French, algebra, geometry, business management, study (?) hour, type, library, News office—nothing new, never any difference.

One might think that an inmate of M. H. S. would tire of the same thing all the time, but one doesn't tire of anything that means as much to him as does the Mankato senior high school—it just doesn't happen. The warped stairways, the familiar pictures, the cubby hole-ish rooms, the winding halls, the trophy cases telling of victories for the alma mater, that *new* board by the main office, the musty mysterious attics, the much frequented basement, the News office, the chemistry laboratory (that H_2S!), the old clock—all are important pages in a complete book of memories belonging to a graduate of Kato high, and labeled "My High School Career."

'Nother Test

Know your pedagogues by their pet expressions. To each person getting 100 per cent on this quiz, to test the student's knowledge on "what goes on in the classroom while three-fourths of the members sleep," a small box of chocolate coated liver pills will be given.

These are the favorites of what teachers:

1. "I wish I had a nickel for every time ....."
2. "When I was a boy in Michigan ....."
3. "If you please ....."
4. "Everyone has a right to his own opinion ....."
5. "Semi p semi space, semi p semi space ....."
6. "All right everybody ....."
7. "One would never know you'd been exposed to six weeks ..... all right you fellas, stop the ladies' aid ....."
8. "Now, let me do all the talking ..... I don't need any competition ....."
9. "Open your textbooks and use the remaining few minutes of the class period for your next assignment ....."
10. "Let's disperse ....."

Hall of Shame

We nominate for distinction:

STAN OLESON, for his realistic portrayal of a policeman during noon hours.

JAMEY SHOEMAKER, for graduating.

FRANK NEAL, GARLAND ODLAUG and their colleagues, for their gate-crashing tactics.

BEALUAH McLEAN for, . . . oh, just because.

CLAYTON CALL and PETE CANELLOS, for the method by which they handled certain disturbers of the peace at the district tournament.

KENNETH JEFFERSON, because he thinks he should be.

"GUS" MORRIS, for his executive ability.

A GROUP OF SOPHOMORE GIRLS, for their association with some senior boys . . . or vica versa.

CORNELIA TROSKEY, for her sense of humor.

"MARGIE" MACDOUGALL, for helping the M. H. S. Rhythm Rascals "work their way through English VI."

THE KRUGERS, for their ability to tell themselves apart.

LILLIAN BALZER, for her efficiency during sixth hour.

WILMA LEMKE, for her extreme good nature.

VIRGINIA PERSON, for being the right kind of a person (p-u-n).

MARCELLA WUSSOW, for her gift of minding her own business —and well.

GLENN HUHNSTOCK, for his ability to mind the business of others—well.

ALBERT HENKE, for being a right good sport.

MARIAN HENNINGS, for her giggles.

GERTRUDE KLUGHERTZ, for (just ask her why).

THOSE WHO HAVE RELATIVES WHO HAVE GRADUATED FROM THIS INSTITUTION, for answering to their respective relative's name for the last three years.

ELAINE STEIFENHOFER, for her ability to spell her own name.

THE FEW WHO SAY VERY LITTLE AND DO MUCH, for listening to the many who say much and do little.

ELLA NORA McMILLAN, for her serious mindedness, a quality not found in the average M. H. S. student.
